IZDELAL: GEONARIS d.o.o.
DATUM: 1.12.2021

The map displays a detailed geodetic plan of an urban area. A prominent red line outlines a specific plot or boundary. The area is filled with numerous small, numbered polygons representing building footprints and other structures. The map is overlaid with a grid of pink lines, likely representing property boundaries or cadastral data. The overall layout shows a dense urban environment with various building types and street patterns.
