

This architectural cross-section illustrates the structural framework of a building, including the roof, floors, and foundation. The drawing is annotated with various labels and dimensions:

- Roof:** The roof structure is shown with a gable end. Labels include "podstrešje" (attic) and "F1" (roof slab).
- Floors:** The floors are labeled "1. nadstropje" (1st floor), "2. nadstropje" (2nd floor), "3. nadstropje" (3rd floor), and "4. nadstropje" (4th floor). The ground level is marked "rušeno" (destroyed).
- Reinforcement:** Reinforcement details are indicated by blue lines and labels:
 - F2A, F2B, F2C, F2D:** Reinforcement bars for the floor slabs.
 - F3A, F3B, F3C, F3D:** Reinforcement bars for the walls.
 - F4A, F4B, F4C, F4D:** Reinforcement bars for the roof slab.
- Dimensions:** Vertical dimensions are provided for the floor levels:
 - 1. nadstropje: +0.37
 - 2. nadstropje: +0.39
 - 3. nadstropje: +0.38
 - 4. nadstropje: +0.39
- Foundation:** The foundation is shown at the bottom, with labels "F1" and "F2" indicating the foundation slab and the foundation walls.
